

# JChem for Office

# JC40 java API

# 10 YEARS WITH JCHEM FOR EXCEL

# JChem for Excel

Tamas Pelcz

## What is new since last year – 1.1.1?

---

### Changed the way structures are handled

- Major improvements in performance
- Handle any number of structures
- Structures move and resize (changing their aspect) with cells
- Structure delete undo
- Unique feature: Structure edit undo

# Version 19.x?

## JChem for Office Goes Online
